Stars & Stripes PAC: Your Political Action dollars AT WORK!

Our lobbying activities are important in generating public policy awareness and change vital to the region's building, realty and development industry. In this way, a political action committee (PAC) plays a critical role. To maximize our effectiveness, we will allocate \$25 of your annual dues for our Stars and Stripes PAC.

I DO NOT WANT \$25 to go to my Industry's PAC to work on my behalf.

(Please reconsider if you want to check this. We fight for builders' rights and the rights of ALL property owners, from the excesses of local, county and state government. We need your support!)
